2000 REALTOR of the Year - Jackson County

Have you ever asked yourself: Can a SELLING BROKER (also known as the Listing Broker) represent the interests of the Seller whom they already have a relationship with; and you, the potential Buyer whom they have no prior relationship with; at the same time? This is not illegal in Indiana.

Ask yourself how can the same Broker who has likely already pledged to get the highest price possible in the shortest amount of time for the Seller also work simultaneously for a Buyer? After all, the Buyer wants to buy at the lowest possible price and no time pressures?

Well, which is it? Highest price for seller or lowest price for buyer? This example shows why I would never call the Broker with the sign in the yard. NEVER! If this property is listed by CountyRealty, this will be easy to recognize. In that case, you would be best served to contact any other Broker besides CountyRealty to represent you in this transaction. Why would you want a Limited agent when you could have a dedicated Buyer Agent instead? For more, read my Office Policy statement and an essay on my website.

Think carefully before calling the agent with the sign in the yard. Make the easy decision and call, text, or email me instead! With very rare exceptions, I can best represent you as your BUYER AGENT.
